Engineer

PROJECTS INCLUDE

Railway Parade, Burwood

Managed the structural design of this mixed use development incorporating 4 basement parking levels, 3 retail/ commercial floors and 18 residential floors. The basement construction posed many challenges with deep excavation located within 1m of the adjacent railway corridor.

Southern Grandstand – Toyota Park – Cronulla

Structural design of the southern Grandstand incorporating seating for 1300 spectators, corporate boxes, amenities and a function space located below the tiered seating.

PROJECTS INCLUDE (cont.)

Shirelive – Church / Auditorium

Design of this modern church with 800 seats forming a tiered auditorium. The project also included basement parking, café, bookshop, meeting rooms and associated office space for church staff.

Bing Lee – Distribution Centre and Retail outlet and offices – Fairfield

Structural design of this large distribution centre, retail store and office space for Bing Lee with further retail space for lease to Office Works.

Three Swallows Hotel, Bankstown

Structural design of the refurbishment and extension to the existing Hotel providing new gaming areas, bistro / restaurant areas and smoking terraces. Construction works were staged to allow the hotel to remain operational at all times.
